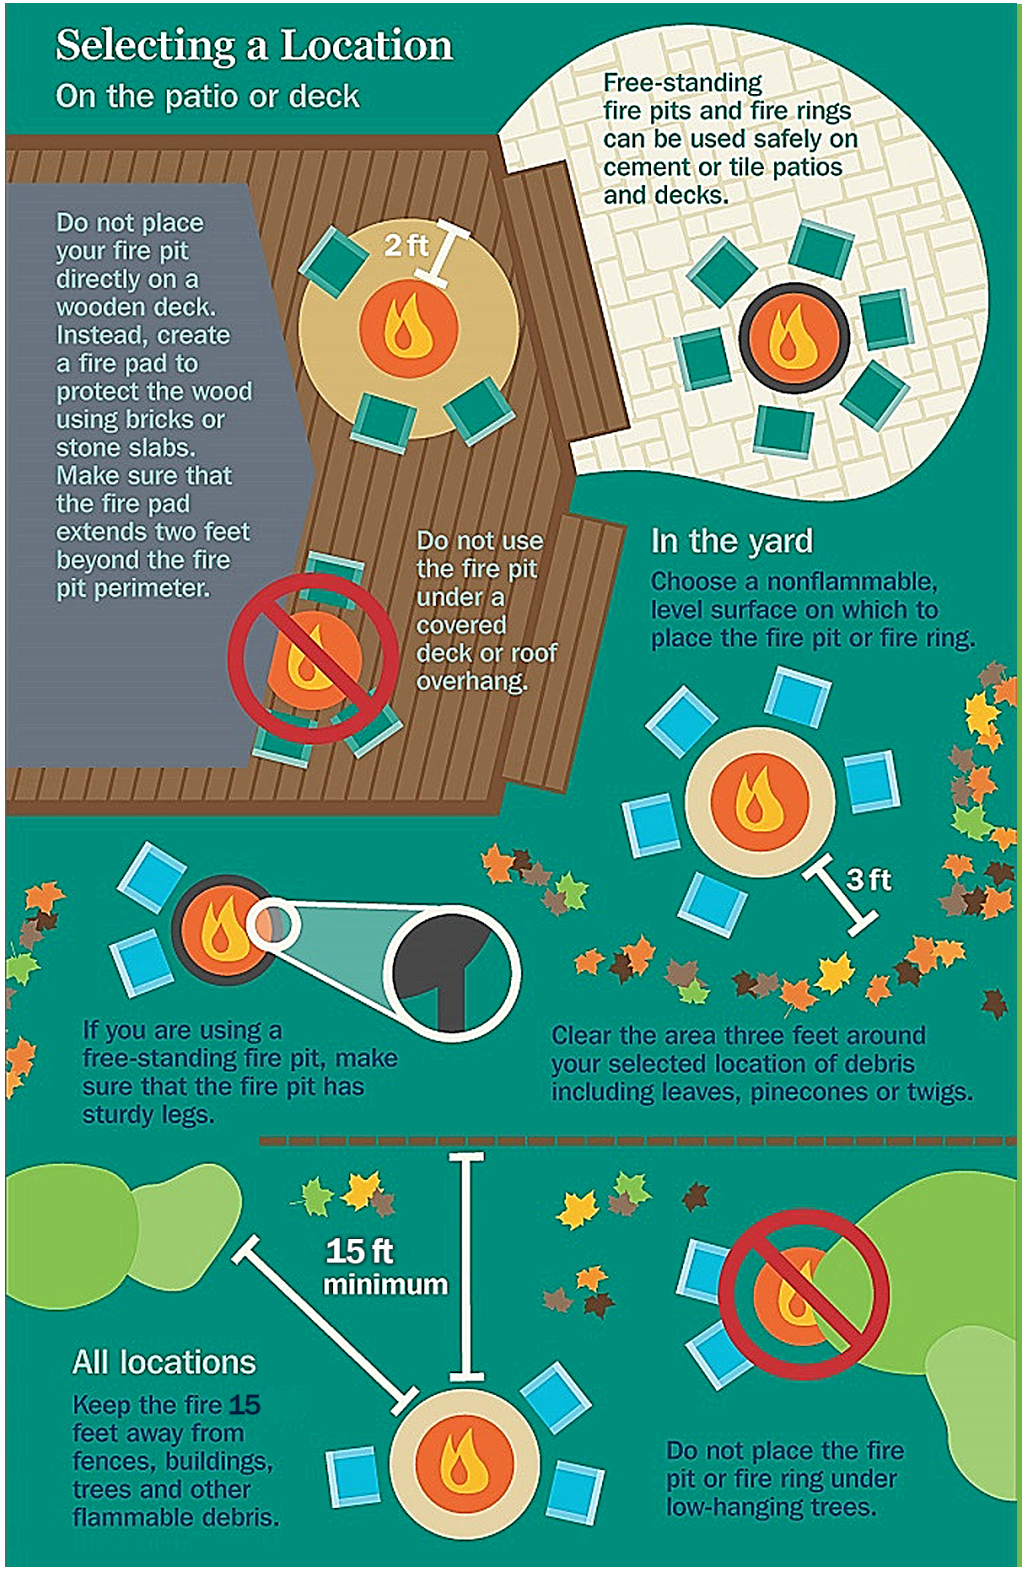
SAFETY BROCHURE

PATIO FIREPLACES AND FIRE PITS

Safety Guidelines:

- Open burning is prohibited within city limits.
- Follow the "Fire Danger Index" before burning (www.starkcountynd.gov/fire).
- When using a Patio Fireplace/Fire Pit a screen must be in place.
- Make sure that charcoal ashes are cold before properly discarding them.
- Burn only clean, dry wood.
- Do not burn grass, leaves, or garbage.
- Do not leave children alone near a Patio Fireplace/Fire Pit.
- Never bring a Patio Fireplace/Fire Pit indoors, or into an unventilated space. This is both a fire and carbon monoxide poisoning hazard.
- Always keep a fire extinguisher, garden hose, or large buckets of water nearby to smother the fire if necessary.
- Place the Patio Fireplace/Fire Pit on a level, non-combustible surface like stone or gravel.
- Clear the area **3' (feet)** around your selected location of debris including leaves, pinecones or twigs.
- Keep the Patio Fireplace/Fire Pit **15' (feet)** away from any structure including buildings, fences, and trees/shrubs.



PLEASE REMEMBER

*A fire needs to be **physically** monitored at all times.*

Once the fire has been started, do not leave until the fire is completely out.
